Burn Prevention Network - Will reported that BPN had offered a proposal to serve as the home for YFIRES. IAFF would remain in some level of advisory capacity and perhaps with some funding responsibility. A written proposal was not shared and it was not clear if one existed. The plan would include a user fee to generate funds.

All indicated favor in reviewing a written plan. Will will contact BPN to get their proposal and share with the group.

Will stated that he would like to have a decision and plan in place by the beginning of 2021.
